Help Us

Buy the Farm

... by buying a farm share!

We are excited to announce that we are buying 40 acres of land in the heart of central Maine to serve as a permanent home for our small, certified Organic, family farm. Our new home features some of the best ag soils in Maine and spectacular, panoramic views. Help support us as we preserve and revitalize our new farm... and get something out of it for yourself at the same time!

How Does It Work? By pre-paying for produce now, you can shop from our stand at any of our farmers markets (in Waterville and Orono) and we'll deduct what you buy from your balance. We'll keep track of everything to make it as easy as possible for you.

How Much Does It Cost? That's entirely up to you. Any increment of \$50 will do, but we give a 3% bonus for shares over \$200 and 5% for shares over \$500.

"Ever tried. Ever failed. No matter.
Try again. Fail again. Fail better."
